Pedal along this picturesque circuit, which winds along the scenic Rivière Saint-François. Wander around the Kingsbury Marsh and tranquil Petit Lac Saint-François. Don't forget to make a few gourmet stops along the way. Craft beers, artisanal coffees, pastries, charcuterie, smoked meats and many other local products await!

Fancy a long outing to make the most of a sunny day? This 89-km loop certainly fits the bill! You'll enjoy beautiful views of the surrounding mountains and rest areas alongside the water. You can also cover this loop over two days, by overnighing at one of our certified "Bienvenue cyclistes!" accommodations.

On this route, you'll discover part of the sentier de l'Ardoise stone dust trail and gravel roads that will lead you on a sensory trip into the heart of nature - a landscape of rolling fields, mystical forests and picturesque valleys. Don't miss the opportunity to make a gourmet stop in one (or more) of our villages to give your taste buds a treat...

Ever had a hankering to ride the Grande Champêtre loop, but somehow haven't found the time, the physical energy or the motivation? Opt instead for this shorter version of the circuit. It will take you along the entire Sentier de l'Ardoise and some gravel roads. Along the way, you'll pass manicured fields, friendly cows, avenues flanked by lofty pines and picturesque valleys.

If you've always wanted to cover a route with only gravel roads, this one will do quite nicely. Just 1.4 km of this particular circuit is paved! The bike route offers breathtaking views of Mont Orford and takes you through fields and maple groves.

Wandering if your bike is strong enough to endure miles of gravel roads? This is the ideal route for finding out. Only a few sections are unpaved so you can ease into "gravel biking" at a gradual pace. After your ride, award yourself with something tasty at one of the nearby restaurants or take a dip in Lac Brompton!

Escape to the Val!
